What Narissa's clients have to say

Narissa and her team are amazing. One of my builders is still waiting for an answer from his broker at Crombie and Lockwood, and he couldn't believe I already had progress and answers from such an amazing service and team - I told him to go to Rothbury, the people make it work.

Narissa was very helpful and pleasant to deal with. She kept me on top of critical deadlines and made helpful recommendations. I would use her again and recommend her to others.

Narissa was a delight to deal with from start to finish, quickly organising quotes and insurance for my new business. She was efficient and very helpful. I would not hesitate to recommend her and Rothbury to anyone looking for cover.

Just made a claim, and it was so easy. I am so pleased I made the switch to be with Narissa.

Narissa started in the insurance industry in 2015 and started with Rothbury in 2022. She has a wide range of insurance knowledge, including a specialty in working with commercial Fire & General clients. Narissa prides herself on being proactive, as well as her ability to pick things up quickly.

When she's away from the office, Narissa can usually be found doing some form of exercise whether it be weight training, Saturday morning bootcamp or simply finding a beautiful beach to wander. To relax, she enjoys going to see the latest movie release or doing a bit of shopping!
