We're a fairly small entity and our requirements have also been small thankfully! In this regard Rothbury and Nicole has served us well. I'm having trouble with the app. though. When I open it, it says "something went wrong". I tried reinstalling it but to no avail.

Nicole began her insurance career in 2012 and joined Rothbury in 2024. With a strong focus on financial lines, she is passionate about expanding her product knowledge in this area. Nicole takes pride in managing her portfolio and is always eager to develop new skills as her career progresses. She has also completed her Level 5 Certificate in General Insurance.

Outside of work, Nicole enjoys reading, walking along the beach, and playing netball. Having spent seven years working in Australia moving to Christchurch allows her to stay close to her family and nephews.
