Richard is a great broker who always looks for the best option for his clients, taking in all the variables.

Richard joined the insurance industry in 2008 and started with Rothbury in 2022. He prides himself on his great work ethic, listening skills and reliability. You can be sure that Richard will always go the extra mile to ensure all his clients have the right cover to suit their needs.

When not in the office, Richard enjoys spending time with his toddler and black Labrador. Away from home, he can be found engaging in activities like fishing, scuba diving and working on project cars. He also likes to frequent various Motorsport events around the North Island. A fun fact about Richard is that his great, great grandfather was mayor of Auckland in 1903 and founder of Diocesan High School for Girls!
