Auckland Jun 2025

Happy with the total service.

Ricky joined the insurance industry in early 2023 working with our Underwriting Agencies, before moving to a broker role in late 2023. He prides himself on his customer service, time management and problem solving skills. Ricky holds a Bachelor of Arts (Honours) in Business and Management and a Diploma in Business Management.

When he's away from work, Ricky can usually be spotted scouting out beautiful locations for photography around the Auckland region, or at one of the cities many fishing locations. He attends Sunday Mass every weekend and enjoys catching up with everyone afterwards. A fun fact about Ricky is that he is also a professional barista!
