Wellington Dec 2025

Simon was outstanding from beginning to end. Listening to my needs and offering tailored solutions that really delivered. I felt heard, supported, and he was faultless throughout. The absolute professional. Well done!

After submitting a request for contact via the website, Simon got in touch promptly to help me arrange insurance for a house I had recently purchased. In short, he is fantastic. He has provided helpful, timely, and friendly support and responded to all my queries in enough detail to give me confidence in making good decisions. He provided insurance options and reasons for his recommendation. I have never used an insurance broker (I have always gone direct to an insurance company), but on the back of Simon's service, I would certainly recommend friends and family, use a broker, and give Rothbury a go.

Simon began his career in the insurance industry in 2021 and joined Rothbury in 2024. Known for his patience, dedication, and calm demeanor under pressure, Simon is passionate about gaining in-depth knowledge of domestic insurance and helping Kiwis find the right protection for what matters most in their lives. With a decade of experience in the banking and insurance industry across various roles, he brings a wealth of knowledge to his work.

Outside of work, Simon is an active runner, having completed his first half marathon in the Round the Bays in February. He also enjoys exploring Wellington's hiking trails with his wife. When indoors, Simon enjoys playing card and board games with friends and is a quiz night enthusiast. A lover of Wellington's vibrant coffee culture, Simon is also actively involved in local theatre, frequently performing in both plays and musicals.
