Simon was friendly, responsive and helpful. I have no complaints.

Simon began his career in the insurance industry in 2021 and joined Rothbury in 2024. Known for his patience, dedication, and calm demeanor under pressure, Simon is passionate about gaining in-depth knowledge of domestic insurance and helping Kiwis find the right protection for what matters most in their lives. With a decade of experience in the banking and insurance industry across various roles, he brings a wealth of knowledge to his work.

Outside of work, Simon is an active runner, having completed his first half marathon in the Round the Bays in February. He also enjoys exploring Wellington's hiking trails with his wife. When indoors, Simon enjoys playing card and board games with friends and is a quiz night enthusiast. A lover of Wellington's vibrant coffee culture, Simon is also actively involved in local theatre, frequently performing in both plays and musicals.
