Northland Jun 2025

Stephanie was absolutely brilliant, super helpful and contacted us a few weeks later to see how everything was going.

Northland Jun 2025

They have been extremely helpful, considering we had a flood and then cyclone damage within a 4-week timeframe, as well as us putting our house on the market. It was all very stressful, however, they were very helpful and tried their best to get it processed as quickly as possible for us .

Stephanie started in the insurance industry and with Rothbury in 2022. She is organised, solution-centric and prides herself in her skills at refining processes. Stephanie enjoys learning about her clients and making sure each client has a personalised experience.

When she's away from the office, Stephanie loves exploring new places in the great outdoors, reading and cooking adventures with her husband.
