Excellent service from Tetiana Lebedieva. She is a real asset to Rothbury.

Tetiana joined the insurance industry in 2017 and also started with Rothbury in 2017. Her exceptional communication skills and client-focused approach comes from her teaching background. Tetiana has strong numerical skills, attention to detail and is a fast learner. These qualities help her to add value behind the scenes as a broker support.

Events in the Ashburton community, with its friendly locals and picturesque spots make it a great place for Tetiana to carry out her photography hobby. As an avid photographer, she enjoys taking family portraits, walking and tramping through the beautiful rural landscape with her family.
