We changed to Rothbury last year due to poor contact from previous broker. Tina visited to discuss insurance. She was informative. Follow-up has been provided by phone or e-mail always prompt. Tina is available to discuss any issue. Happy with our decision to change brokers.

Tina was awesome, she took the time to go over everything with us in detail and presented each of the details clearly and professionally.

Tina joined the insurance industry in 1989 and started with Rothbury in 2008. She has a Diploma in Financial Services. Tina takes pride in the professional service she provides and always works to build strong client relationships. She enjoys turning around challenging claims and is adept at interpreting policy wordings to get the best outcome for her clients.

Tina appreciates all that Dunedin has to offer. With its unique all seasons in one day, vibrant student atmosphere and beautiful, historic architecture, she is pleased to call it her home and makes the most of her weekends.
