Wendy joined the insurance industry in 2007 and started with Rothbury in 2015. With a portfolio of over 700 clients, Wendy is committed to her clients financial security. Adept at listening and communicating, she works hard to understand her clients' needs and provide the right insurance solutions to keep them protected.

Cycling around the local beach pathways and New Zealand cycle trails, Wendy loves to be out soaking up nature. On rainy days and to wind down from her work day, she can often be found putting her patch work and sewing skills to good use.
