About Us

ROTHBURY is a majority owned Kiwi business that started out from humble beginnings back in 1950. Now we're the third largest Insurance Broker in New Zealand, operating in 24 locations around the country, so you'll be looked after locally.

Grocer Guard has been approved by the Foodstuffs Board and is trusted to meet the needs of Foodstuffs franchise businesses to deliver a high level of comprehensive insurance that really does safeguard your business.

Claims Advocacy

Our dedicated Claims Advisers live and work locally and will manage your claim from beginning to end, to get the best outcome for you.

You can count on us, we've been helping protect Kiwi businesses since 1950.

Rothbury has been my insurance partner for close to 20 years. They have consistently offered me the best package to suit my business and personal needs. While I have gone to market several times, the team at Rothbury have given me no reason to go anywhere else. I feel that all parts of my business – from breakdown cover, to business loss, to personal liability are all appropriately covered.

– CHRIS GRACE, PAK 'N SAVE

The Grocer Guard package we utilise for our insurance needs meets all our requirements. The claims process is handled very efficiently and because we have a large delivery fleet at Gilmours, this can be an important component. There is a professional and thorough annual review of our cover and premiums too.

– JOHN BROOKS, GILMOURS
