OUR PROMISE TO YOU

Rothbury Insurance Brokers has been in business for 70 years. Like many of our business clients, we're a majority New Zealand-owned company that was started by enterprising Kiwis in 1950.

New Zealand has moved on since then and so have we. The fast pace of change and the new regulatory landscape means risk is ever evolving. We're here to help you think ahead and plan for the future by offering you the best, most up to date, insurance solutions for you and your business.

We aim to be your unconditional advocate. We put you first. Our clients are the reason we are here and our team – spread throughout the country – puts its collective energies into ensuring that you, as a client, get exactly what you need to protect the things that you most value.

WHY CHOOSE ROTHBURY

When someone says to you "insurance" what's the first thing that comes to mind? It's probably something like "It's a hassle" or "I pay hefty premiums but when I claim it's always difficult".

Our goal is to change that view. Our brokers are knowledgeable insurance experts who will work with you to understand your needs. Once we agree on the best cover possible we'll continue to work with you as your personal insurance broking resource.

If you have a claim we will manage it for you from start to end. Our specialist claims team advocate on your behalf and keep in touch with you every step of the way.
