Claims Examples

A shade sail and sandpit were vandalised by youths after hours. The event was covered and repair costs of more than \$5,000 were paid to reinstate the damaged property.

A truck damaged an exterior fence at a Childcare Centre. Being a Childcare Centre they are dependant on having a safe and secure outdoor environment. The claim was lodged and repairs were carried out quickly ensuring their essential play area was available for use again as soon as possible.

A hose on a washing machine broke at a Childcare Centre that resulted in a large water damage claim. Hard flooring was damaged, as were skirting boards and carpet.

The Childcare Centre used the laundry a lot during the course of the day. Having wet carpet caused a health and safety hazard for children and impacted the Childcare Centre, as they needed to cordon off the area and keep an eye on the children. The claim was for approximately \$8,000.
